SERY KIM RECEIVES ENDORSEMENT OF SUNG NAM, FOUNDER OF KOREAN-VIETNAM VETERANS ASSOCIATION

Proud first-generation Texan Sery Kim has officially received the endorsement from Sung Nam, the founder of the Korean-Vietnam Veterans Association.

NAVARRO COUNTY, T.X. – Sery Kim, a lifelong Texan, attorney, and former Assistant Administrator for the U.S. Small Business Administration (SBA) appointed by President Donald J. Trump has officially been endorsed by Sung Nam of the Korean-Vietnam Veterans Association.

Sery Kim said, “Today, as a life-long Texan and child of legal immigrants from Seoul, South Korea, I am honored to receive the endorsement from this distinguished individual who has done so much to support our veterans. The Korean and Vietnam wars were particularly tough on the men and women who served and fought to end communism and the people fleeing its oppressive rule. This organization has gone above and beyond to offer support in the years since conflict. Our veterans should be honored and provided the resources they need to reacclimate to civilian life post-military service. I am working hard to earn the votes of Texas’ 6th Congressional District and will work even harder if my friends and neighbors send me to Washington to advocate on behalf of the 47,000 veterans in our community. The radical left wing agenda of slashing veteran benefits while at the same time placating to the Chinese Communist Party’s wishes which is pushed by Joe Biden, Nancy Pelosi, and Alexandria Ocasio-Cortez must be stopped, and I am ready to go to Washington to do just that.”

In his endorsement, **Sung Nam said**, “Today, I am proud to endorse Sery Kim’s candidacy for Congress in Texas’ 6th Congressional District. Sery has proven to be a fighter and strong advocate for the veterans in our communities. Her dedication to issues important to those that have served and defended our country is exactly what we need in Washington, DC. I urge all voters in Texas’ 6th Congressional District to stand with our veterans and cast your ballot for Sery Kim on May 1st.”
